# Fevia food.be

Fevia is the federation of the Belgian food industry and represents companies and industry associations active in the production and processing of food and beverages. Fevia counts 700+ member companies, including both large companies and SMEs. Fevia defends the interests of the Belgian food industry and acts as interlocutor for political and socio-economic institutions, in economic and environmental matters, labour relations, nutritional policy and international business.

Half of the Belgian food industry's turnover is generated through export. Fevia and its members position Belgian food and beverages internationally with the collective promotional brand "Food.be - Small Country. Great Food", which highlights the diversity, quality and innovative character of Belgian food and beverages.
